Chief, TSS/TO

Acting Chief of Logistics

Air Conditioning of Space to be Occupied by TSS Shop

[REDACTED]

REFERENCE: Your memorandum dated 7 May 1953, subject: Air Conditioning Space for TSS Shop

1. Your requirement for air conditioning in the [REDACTED] warehouse was submitted to the Office of General Services on 8 May 1953, along with a request that an engineering survey be made covering your requirements and requirements of the Logistics Office.

25X1A

2. A copy of reply to our memorandum is included for your information. We have since determined that air conditioning for the use of Logistics Office [REDACTED] will not be required because of the ventilation afforded within the building.

25X1A

3. In the event your office wishes to pursue the request further, direct contact should be made to the Assistant Deputy Director (Administration).
